## Arms (Make 2)

Don't stuff the arms.

Rnd 2. 4 inc (8)

Rnd 3-17. 8 sc (8)

Fold and join with 4 sc.

Leave a long yarn tail to sew to the body.

## Skirt

Close each round with slst.

Begin making the skirt in the front loop of round 33, start at the back with a standing sc.

Rnd 1. 36 sc (36)

Rnd 2. (ch 3, 1 dc in the same stitch), 35 inc-dc (72)

Rnd 3. ch 3, 1 inc-dc in the same stitch, (1 dc, 1 inc-dc)\*35 (108)

Rnd 4. 108 dc (108)

When you have finished the skirt, add a yarn of another color and make slst around round 34 (just above the skirt).

Start right where you want the tie to be, leaving a long yarn tail at the beginning and end that will serve to make a bow.

## Flowers

For each hair bun make 4 flowers in different colours.

Rnd 1. 4 sc in MR (4)

Rnd 2. 4 inc (8)

Fasten off your work, cut the yarn and leave a long yarn tail.

Cut the excess yarn tail of the magic ring and with a needle insert the long yarn tail inside the flower, just through the center of the magic ring.

Join the four flowers by tying the remaining yarn tails into a knot, keeping the knot as close to the flowers as possible.

## Leaves

Make 5 or 6 picot of ch 5 in a magic ring.

In the following pictures I explain how it is done.

1. Make ch 5 from the magic ring.

2. Make a slst into the first ch.

3. Make another slst in the magic ring.

4. Repeat this step 5 or 6 more times, depending on how many leaves you like.

5. Don't completely close the magic ring, pull all the yarn tails left on the flower bouquet through it.

6. Now close the magic ring. Make sure the knot made by tying the flowers together is on the outside. Cut the excess yarn tails from the flowers. Do not cut the yarn tails from the leaves, you will need these later. You can use a drop of glue to fix the bouquet if you want to.

Use the green yarn tails from the leaves to attach the bouquets to the hair bun. You can wrap the yarn around the bun a few times to make it look prettier.

To finish, embroider a fringe and a nose.
