yarn fastening

Arms

Sew to the body between the 18th and 19th row.

At point 1, we have a handle, from which we have not cut the yarn. We introduce the yarn at 2, and then at 3 points. Next, we insert the yarn at point 4 and draw the yarn at a distance of 1 sc. Then back to 3, 2 and 1 points. Along the way, we tighten the handles so that they do not dangle.

Legs

Sew to the body between the 6th and 7th row.

At point 5, we have a leg, from which we did not cut the yarn.

We enter the yarn at 6, and then at 7 point. Next, we enter the yarn at point 8 and draw the yarn at a distance of 1 sc. Then back to 7, 6 and 5 points. Along the way, we pull the legs so that they do not dangle.
