• 10 sl-st do now we will learn the part of the laughter 6 HDC 4 sc always turning, eg 5 rows in this way. then 11 chains pull 6 HDC 4 sc likewise 5 rows.

• Then the beginning of the hair with the beginning of the middle of the middle and perpendicular to the head looking at images. Since everyone's hand is always different, I recommend you to knit by measuring it on the head.

## Skirt

The part where we knit in the trunk, (36th row)

We start with the color rope of the dress.

(Important note: we do not weave the spiral 1 st-sl is done when the chain is done by pulling 1 chain to the top row.)
